## St. Benedict the Moor Mission Statement

We, the people of God of Saint Benedict the Moor Catholic Church, Omaha, Nebraska, are joined together in faith, worship and service to our community. We are called to love one another as the Father loves us and to set an example of caring compassion for everyone we meet. We are proud of our African American heritage, spirituality, and culture, which we eagerly share with one another, our church, and our country. Our goal is to reach out to those who hunger for the Word of God and seek a welcoming place to worship and grow in faith. We are determined to live up to this calling as we walk together on our journey to the Kingdom.

### Novena Prayer to Venerable Father Augustus Tolton

Father Augustus Tolton, you whose life demonstrated the fruits of the Holy Spirit's gifts of fortitude and perseverance, pray for my strength and perseverance as I cry out for God's mercy for Vocations from St. Benedict the Moor Parish. Pray Father Augustus Tolton that God will hear my cry and answer me according to His will. Amen.

### Prayer for the Canonization of Nicholas Black Elk

Heavenly Father, Great Spirit! Behold us who stand before you singing our song of thanksgiving for Nicholas Black Elk.

Faithfully he walked the Sacred Red Road and generously witnessed the Good News of our Lord Jesus Christ among the Native American people.

We humbly ask you to hear the prayers we plead through his intercession for the healing of Greg Meier.

We ask Holy Mother Church to recognize his sanctity by acknowledging his presence among the company of Saints, and as one to imitate in his zeal for the Gospel.

Open our hearts also to recognize the Risen Christ in other cultures and peoples, To your glory and honor, Through Christ our Lord. Amen.

### From The Green Team On Care For Our Common Home

The average US citizen emits 20 tons of greenhouse gases per year, most of which come from transportation, electricity generation, and the food system. This is 10 times the emissions from the average person in India, for example. It is important for our communities, cities, states, and country to tackle the climate crisis.
